

My Carnival, Your Carnival

School and class: KINDERGARTEN OF AGNANTERO, PRESCHOOL CLASS

City and country: AGNANTERO - KARDITSA / GREECE

Hello there! Thank you for participating in the
"My Carnival, Your Carnival" culture exchange!
First, you can collectively draw or make a collage
about Carnival in your country or region:

Now, explain to a class of students from a different country what your Carnival is like. What is the best part about it? How do people dress up? Do you wear masks? Feel free to be creative!

We love Carnival! We dress up, wear masks and hats and go to carnival parties! We throw streamers and ~~po~~ confetti and make parades. There are different customs in every region of Greece. We painted the dance of carousel (carousel = ribbon). There are 12 (twelve), one for each month of the year. 6 six boys and 6 six girls dance, wrapping and unwrapping the ribbons. It's a lot of fun!
