ool and class: Col·legi Francesc de Borja Moll. 3<sup>rd</sup>  
y and country: Palma de mallorca, Spain

Hello there! Thank you for participating in the  
"My Carnival, Your Carnival" culture exchange!  
First, you can collectively draw or make a collage  
about Carnival in your country or region:

Now, explain to a class of students from a different  
country what your Carnival is like. What is the best  
part about it? How do people dress up? Do you  
wear masks? Feel free to be creative!

we celebrate Carnival playing games in the  
playground.
